

ELECT

Education Leading to Employment and Career Training

For over 25 years, our mission has been to assist pregnant, expecting and parenting teens both male and female with their dual roles as student and parent. We help so that babies are born healthy, develop appropriately and students-parents obtain their high school diploma or it's equivalent.

This is a grant funded program administered by Erie's Public Schools. Competitive grant funding is provided by the PA Department of Education and the PA Department of Education and the PA Department of Human Services.

Erie City ELECT

Student Parenting Program

*A Free Program for
Pregnant & Parenting Students*

What to Expect

The Erie ELECT Parenting Program provides student focused programming to support expectant, pregnant and parenting students to stay in school, have a healthy family and pregnancy, and to graduate from high school with a plan.

Case managers work with students to develop goals that lead to success in their dual role as student and parent.

Support for these students to overcome barriers to graduation is provided through group classes, individual case management, home visits, as well as connections and referrals to local resources.
